

TSSA Forms Software Version 1.09 Release Notes

Dear Blue Moon/TSSA Forms Software User:

From time to time, the TSSA Forms Review Committee and legal counsel make changes to TSSA's official forms. TSSA has recently revised several of its forms, including the *TSSA Rental Agreement*, *Move-Out Notice*, the *Authorization and/or Release by Tenant*, and the *Notice to Vacate Storage Space for Non-payment of Rent or Other Sums*.

The Spanish translations of the Rental Agreement and Move-out Notice, as well as the Tenant Information forms, have also been updated.

A new form, *Addendum for Requirement of Tenant Insurance*, has also been added for those who require tenants to maintain insurance.

For an explanation of the changes to the various forms, please refer to the newest issue of the *TSSA Self-Storage News* magazine.

Please note: At this time, the TSSA Forms Software program is not compatible with computer systems using the Windows VISTA 64-bit operating system.
